**6. Program Description** First indicate if this is a "new" program or a "recurring" program (one that has taken place before). Then provide a brief description of the program in the text box provided below. What form will the program take? What topic or issue will be addressed? If known, who will be your featured speaker, performer, etc.? If applicable, indicate the number of years the program has been in existence. Provide as much detail as possible in the space provided. Refer to the Evaluation Criteria tab to review the criteria ASI will use to evaluate your application.

This program is ☒ New ☐ Recurring

The Association for Computing Machinery (ACM) hosts a number of projects meant to contribute to the education of its members and to the Long Beach community. The Boeing Project works directly with the US Air Force to augment military positioning systems. Links For Good is making a social web site to coordinate charities worldwide. The Veterans Affairs Project assists doctors in assessing the memory of veterans. ACM's ImagineCup entry, "Directions", is competing to build an application promoting the United Nations' goals. The ACM iOS development team provides workshops for mobile application development. All of these projects require funding for software and physical tools to complete their objectives.

7. Indicate the proposed budget for this program. For each Expense Category, indicate the total cost in Column A. In Column B show the portion of the cost that your organization will contribute through its own fundraising. Column C will calculate automatically. This represents the amount of funds you are requesting from the Associated Students. If this amount exceeds the Maximum Allowable Subsidy, the term "OFF" will appear to the right.
