**6. Program Description** First indicate if this is a "new" program or a "recurring" program (one that has taken place before). Then provide a brief description of the program in the text box provided below. What form will the program take? What topic or issue will be addressed? If known, who will be your featured speaker, performer, etc.? If applicable, indicate the number of years the program has been in existence. Provide as much detail as possible in the space provided. Refer to the Evaluation Criteria tab to review the criteria ASI will use to evaluate your application.

This program is ☒ New ☐ Recurring

This program focuses on targeting high school A.P. chemistry students from the Long Beach area. Students will attend multiple workshops conducted by chemical engineering faculty in the morning session. Lunch will be provided. The afternoon program will take place in the ChemE lab with experiments/research displays. This will initially be a pilot program, then expanding to a broader base.

7. Indicate the proposed budget for this program. For each Expense Category, indicate the total cost in Column A. In Column B show the portion of the cost that your organization will contribute through its own fundraising. Column C will calculate automatically. This represents the amount of funds you are requesting from the Associated Students. If this amount exceeds the Maximum Allowable Subsidy, the term "OFF" will appear to the right.
